no change reported in the quotations. Breadstuffs were dull, and provisions steady. A bulletin issued by the Sarlinian Government, announces that the extreme left of the Sarlinian army, under Gen. Baldini, had forced a passage over the River Sisa, putting the Austrians to flight. Gen. Garibaldi had entered Gava (Pavia) with 6,000 men, for a revolutionary purpose. It was rumored that six English men-of-war had entered the Adriatic sea. Revolutionary movements are reported in Lombardy. The King of Naples is dead, and Francis II. has assumed the Government of Naples. The French lost many valuable officers. The Austrians do not acknowledge a defeat, but "retired."

LATEST!--Steamer Arago, with dates to 20th ult., reached St. John's, Newfoundland, Tuesday night. Gen. Garibaldi had advanced to Gomez, and the Austrians were retreating towards Milan. A furious fight lasting three hours, took place at Gomez. By arrival of back Susan, at Baltimore, we learn that Gen. Arizuka is prepared to invade Buenos Ayres, with a large force, as assisted by Paraguay. A destructive fire occurred at Columbus, Ga. Alabama & Fontaine Warehouse, containing 8000 bales of cotton, destroyed--loss \$500,000--supposed incendiary.

See the advertisement of the N. Y. Tribune in another column. The letters of Mr. Greeley, Westward, are alone worth a year's subscription. (Reprinted for the Star & Chronicle.) Union County Sab. Soc. Convention. LEWISBURG, June 7, 1859. Pursuant to notice, a good number of friends of Sabbath schools in this county, met in the house of worship of the M. E. church at 10 o'clock, A. M. ABRAHAM SWINKFORD, Eq., of New Berlin, was appointed President, and on taking the chair recommended as special objects of the meeting--1st, the improvement of S. S. already in existence; 2d, the necessity of additional schools. He then read Rev. R. A. Fink, who led in prayer.

Messrs. J. W. Sands of Millinburg and O. N. Worden of Lewisburg were appointed Secretaries. All the Superintendents of S. S. in the county in attendance, were invited to act as Vice Presidents. The following names were obtained: John P. Miller, George P. Ruhle, A. Thayer, Isaac E. Wehr, Sand Geddes, Chris. V. Gundy, Peter S. Stahl, Chas. S. James, James Christie, Peter Hush. On motion, the President appointed a committee of five to report business of the Convention. Committee--J. A. F. Linn, Esq., David Heckendorf, Rev. I. Grier, Rev. S. H. Mirick, James P. Ross. Adjourned until 12 o'clock, P. M.

Afternoon Session. Prayer by Mr. Mirick. The pastor, Rev. I. Grier, of Millinburg, addressed the Convention in a concise but most animated and pertinent manner. He congratulated this respectable assembly as the first of the kind for the purpose, within his knowledge, in Pennsylvania, and hoped the movement thus made in the center would be extended to the utmost bounds of the State. He gave an interesting account of the National S. S. Teachers' Convention, numbering 600 Delegates, from 29 States, which assembled at Jayne's Hall in Philadelphia the 22d of Feb. last--its energy, its singing, its harmony, and narrated several incidents illustrating the Missionary character of faithful S. S. instruction. He alluded to the Bible, and the influence of Woman, as all-important to the welfare of the nation; and concluded by a thrilling appeal for Teachers one and all to labor zealously and hopefully in their good calling, assuring them that the omnipotent energy of true Christian love would melt the hardest heart and subdue the wildest youth.

Mr. Linn, from the Business Committee, reported a series of Resolutions, which, after a discursive and free discussion (particularly upon Res. 5,) by Messrs. Linn, Grier, Swinkford, M. Mahan, Sinker, Fink, T. G. Orwig, Eld. M. Daniel, Heckendorf, and others, were adopted, as follows: Resolved, 1. That the duty of evangelizing Union County, with the aid of God's Spirit, and the ordinances of His church, devolves upon the Christian people of this county. 2. That both the World and the Providence of God teach us that this work should be prosecuted with that zeal and vigor, its importance demands. 3. That we regard the Sunday School as a very prominent and efficient instrumentality, in the prosecution of this work; and that steps should be taken without delay, to establish one in every destitute neighborhood. 4. That it be earnestly recommended to Ministers and all others engaged in the work, to give their aid in the establishment of Schools wherever they may be needed. 5. That we urge upon officers and teachers of country Sunday Schools the importance of their schools, open through the whole year; as we believe there is no good reason why children may not attend the Sabbath School, as well as the week day school, throughout the year. 6. That the usefulness of every Sabbath School depends mainly upon the character and qualifications of its teachers, and that we regard the following as indispensable requisites to the success of every teacher: 1. Ardent love of the work. 2. Habitual and unceasing prayer. 3. The thorough preparatory study of personal attendance. 4. The preservation of good order in the class. 5. Diligently and fully occupying the time devoted to instruction. 7. The frequent friendly and Christian visitation of the scholars. 8. An example in all the walks of life, consistent with the instructions of the Sabbath school. 9. That this Convention establish a permanent organization of the friends of Sabbath Schools, to meet annually, for the transaction of such business as shall be conducive to the promotion of the cause.

On motion, the President appointed a committee of one from each religious denomination here represented, to propose a Constitution and Officers for a County S. S. Convention, and report this evening. Committee--D. Heckendorf, J. P. Miller, J. A. Wehr, S. D. Buehler, S. H. Mirick, Eld. Jacob Rodenbaugh, John Roland. Adjourned until 8 o'clock, P. M. Evening Session.--Prof. James in the chair. Prayer by Rev. Mr. Reese. Mr. Mirick, from the committee on a permanent organization (Messrs. Heckendorf and Wehr, secretaries) reported a Con-

stitution and Officers, which were considered and adopted, as follows: CONSTITUTION. Art. I. This body shall be called the "Union County Sunday School Convention." II. The object of this Convention shall be to promote the efficiency of the Sunday school cause in Union County. III. This Convention shall meet annually on the second Monday in May, and be composed of Delegates from Sunday schools in Union County. IV. The Officers of this Convention shall be a President, one Vice President from each evangelical denomination in the county, a Corresponding Secretary, a Recording Secretary, a Treasurer, and District Secretaries, all of whom shall be elected annually. V. The various Officers shall perform the duties usually assigned to such officers. The Corresponding Secretary in addition, shall report to each annual meeting, the condition of the various Sunday schools in the county. The District Secretaries, one of whom shall be appointed in each township and borough, shall obtain information in reference to the number and condition of the Sunday schools in their township or borough, and promote, as far as they can, the establishment of new schools in destitute localities. They shall report to the Corresponding Secretary at least one month prior to the annual meeting. VI. No alteration shall be made in the Constitution except at an annual meeting, and by a vote of two-thirds of the delegates present.

Short practical addresses were made by Mr. Fink of the Lutheran church, Mr. Rodenbaugh of the Christian church, Mr. Mirick of the Baptist church, and Mr. Reese of the M. E. church. Adjourned to meet at Millinburg, 2nd Monday in May, 1859--God willing.

FROM MILLINBURG. (Correspondence of the Star & Chronicle.) MILLINBURG, June 8, 1859. I am glad to state that the grain which was down last week ago, and looked as though it had been inundated, is mostly again erect. The little that remains down, does not alarm us. "A lodged crop never broke a farmer." We have very good reason to expect a larger harvest and better yield in this part of Butler Valley, than ever before. (Would it not be good and practical for every farmer in the Valley to keep accounts, and report, every year, to the Agricultural Society, the number of acres cultivated, and their yield? Let every one in the county do this, that we may correctly know the wealth of our domain.) Last Saturday, overcasts were a comfort. During the night, we had a very severe frost. The injury done to the vegetation, is, I think, trifling.

Monday, our town was enlivened by the parade of the "Union Cavalry." The company numbers thirty-nine members. It is the only military glory and protection of the county. The election was very quiet, and resulted in the election of the following named officers: Breder General--ISAAC HERRICK. Breder Inspector--JOHN W. SIMMONS. Captain--Wm. P. Wilson. First Lieutenant--Wm. F. Wilson. Second--B. F. KANGLER. Cornet--DAVID RUTER. These were elected without opposition, excepting a complimentary "running" of Mr. John Badger for General. A Troop, and also a company of Infantry, it is said, are about organizing at Hartleton.

The extension of Market street, in Millinburg, which the majority of our citizens have so long prayed for, has been at last granted by the Court. The Supervisors will open it as early as possible.

FROM NEW BERLIN. Fourth Annual Closing Exercises of Union Seminary. A Concert of Vocal and Instrumental Music will be given in the Chapel on Monday evening, June 13, by Prof. H. Bassett and pupils. Tuesday evening, June 14, an Oration will be delivered before the Literary Societies by Rev. Prof. O. H. DEANEY of Balt. Wednesday morning, June 15, the Ladies' Essays of the Graduating Class, and conferring of Diplomas. Wednesday evening, Addresses will be delivered by select young men of the Seminary. JOHN H. LEAS, Sec'y.
